

The Insider's Guide to

MEETING THE RIGHT PEOPLE & BEING IN THE RIGHT PLACES

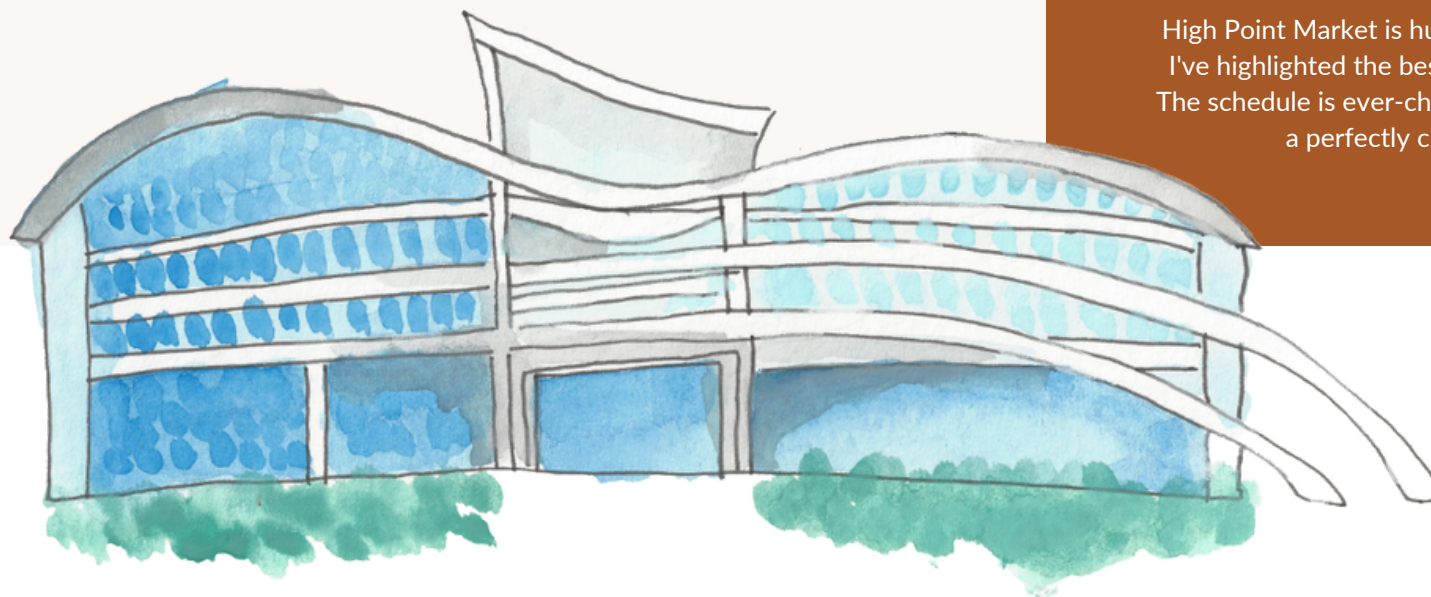

Way to go — you're on the way to navigating High Point Market like a pro!

HI, I'M MARISA!

I've attended every Market since October 2014, and I've learned all the tips and tricks. Now I'm ready to share them with you firsthand, with a little help from my designer pals!

High Point Market is huge — more than 13 city blocks! — so I've highlighted the best 50 showrooms to get you started. The schedule is ever-changing, but I've got you covered with a perfectly curated calendar of events.

Top Ten Tips IN TEN MARKETS

KEIA MCSWAIN

@keiamcswain

Suites at Market Square has become my one stop shop. I live by packing a pair of fashionable and comfy sneakers.

CELERIE KEMBLE

@celerie

Backpack not purse.
Sneakers not flats.
Dry shampoo.

JANA PLATINA PHIPPS

@trimqueen

My rule is to be in bed by 11pm and I bring my Advil PM to ensure I get a great night's sleep to rock my market days to the max!

TRACI ZELLER

@tracizeller

Use the shuttle! I'm a walker, but if you don't hop on the shuttle at least occasionally, you will regret it - no matter what kind of shoes you are wearing. I also stay in downtown High Point — which means I book my hotel early. There's so much less travel time, and time is more important than almost anything else when you are at Market.

KIMBERLEY SELDON

@kimberleyseldon

With some advanced planning you can use your time at HPMKT to produce billable hours. Be prepared to work by having scaled plans and a detailed Furnishing Schedule for every client/project.

SHAYLA COPAS

@shaylacopas

I save time by using an app called Trello. I have a card on my Trello listed as High Point Market and I add each showroom I want to see for my Market trip on the app. While in each showroom we take photos of our favorite products and add to the app so that we can keep all of our fabulous finds organized.

STACY GARCIA

@stacygarciainc

Don't even try to see it all — HPMKT can be extremely overwhelming! Go with a plan. Pick out key showrooms you want to see, but also leave time to explore. This is the perfect place to uncover gems you didn't even know existed.

DON RICARDO MASSENBURG

@designinkredible

Download the My Market app. It has all of the events and exhibitor information, and tells you where the exhibitors are located. It allows you to create a schedule, and it tells you which shuttle to hop on to get there! The My Market app changed my experience at High Point Market.

STACY KUNSTEL

@dunesandduchess

Be open to serendipity. Some of the best times I've had at HP were somewhere I hadn't planned on being. There's delicious free food almost everywhere — but pace yourself on the drinks. Pounding water all day will make you feel a lot better than prosecco.

ERIKA WARD

@mrserikaward

Save time at Market by planning 80% of your trip, devoting it to appointments. Leave the other 20% of your time to discover new showrooms and spend time talking to artists/designers if they happen to be there. Save money on food by noshing in the showrooms!

The Best Tip FOR A MARKET FIRST-TIMER?

We surveyed Market veterans for their expert advice. Here are some tips and must sees from the industry's best!

MICHELLE MURPHY

@demiryanhome

Get ready to fall in love 1000x a day with all the amazing finds! Make sure to wear comfy shoes and plan out which vendors you want to hit ahead of time so you can make the most of your day. You'll want to give yourself plenty of time to explore – you're bound to find a thousand things you absolutely adore.

TRACI CONNELL

@traciconnellinteriors

Wear layers and comfortable shoes – you'll be glad you did!

AMBER GUYTON

@blessedlittlebungalow

Go in with a sense of exploration, for showrooms and people. It's great networking and I've built so many relationships with people I've met and crossed paths with at High Point. Be prepared to get your steps in! Comfy sneakers are key!

ZANDY GAMMONS

@mirettainteriors

Wear comfortable shoes, you will be walking a lot. I try to carry a light bag since I like to pick up as many things to remember new resources as possible while I'm there. Showrooms usually have plenty of water and coffee to keep you going throughout the day.

ISABEL LADD

@isabel_ladd_interiors

Go to the Antiques a day before the main Market events start, so you get first dibs on one-of-a-kinds. If you are close enough to drive to Market, then consider doing so, as you can load up your car with cash-and-carry finds! What you can't bring back with you, it's easy enough to work with a transportation company (located in the antiques building) to ship it to you.

ROBERT VENTOLO

@crainandventolo

I always recommend allocating a greater amount of time than one might initially anticipate - there's so much to explore!

WHAT'S ONE THING YOU DON'T LEAVE HOME WITHOUT WHEN HEADED TO MARKET?

TRACI CONNELL

@traciconnellinteriors

Umbrella and padded Band-Aids!

AMBER GUYTON

@blessedlittlebungalow

Don't leave home without a bookbag. The tote will wear your shoulders down!

ISABEL LADD

@isabel_ladd_interiors

Business podcasts downloaded + ready to binge on my drive. It's one of the few times a year I make time to get this "education" via design podcasts + it inspires me + gets me in the mood to hustle + grind at market!

MICHELLE MURPHY

Favorite DESIGNER-FRIENDLY SHOWROOM?

We surveyed Market veterans for their expert advice. Here are some tips and must sees from the industry's best!

TRACI CONNELL

@traciconnellinteriors

For an immersive experience, do not miss **Verellen**. From the aroma to the employees, upscale livability is ever present! I would stay there all day!

MICHELLE MURPHY

@demiryanhome

Currey and Co is the best! They have excellent customer service, plenty of cool spots to sit and admire all the gorgeous lights while you nosh on an easy to eat lunch!

AMBER GUYTON

@blessedlittlebungalow

Super tough question, but I love to wander and admire lighting. The **Visual Comfort, Hudson Valley**, and **Regina Andrew** showrooms make me happy!

ZANDY GAMMONS

@mirettainteriors

One of my favorite spaces to see new designer-friendly brands is **Suites at Market Square**. We always find some great things and it is easy to get to the **Antique & Design Center** from there as well. Another great stop is the **200 Steele Building**. So many great lines have moved over there and they have beautiful permanent showrooms.

ISABEL LADD

@isabel_ladd_interiors

So many, I can't name just one! **Woven** (formerly known as Selamat), **Currey and Co.**, and **Four Hands** are amongst the prettiest eye-candy for me!

ROBERT VENTOLO

@crainandventolo

I really enjoy exploring the **Kravet** showroom. I do a lot of business with them so it's great to see all the pieces on the floor, and the terrace is a great space to see all their outdoor furniture.

MARKET TIPS

Cell phone signal at High Point Market SUCKS — bring a fully charged backup battery (or two!). When your phone dies by 11 am from trying to Instagram all your fabulous finds, you will thank me!

Speaking of Instagram - be sure to post all your amazing finds when cell service allows. The official Market hashtag is #hpmkt and be sure to tag us too at #coolgirlsguidehpmkt

MARISA WILSON

@marisawilsoninteriors

Try to attend at least 2 social and 2 educational events while you're at Market — both are important! Market is fantastic for networking and meeting other designers as well as developing relationships with vendors. It's like a very expensive conference but IT'S FREE!

Make sure to snag a **Beauty Bar** Appointment at Universal's Designer Lounge — it's just the refresh you need to head out to happy hour!

Favorite CAN'T-MISS SOCIAL EVENT?

We surveyed Market veterans for their expert advice. Here are some tips and must sees from the industry's best!

MICHELLE MURPHY

@demiryanhome

Kravet for social and then for educational be sure to check out the awesome panels at the new **Odette** showroom!

DON RICARDO MASSENBURG

@designinkredible

It's a known fact that **Surya** and **Leftbank Art** throw the best parties!

AMBER GUYTON

@blessedlittlebungalow

I love attending the **Black Interior Design Network's** social on **Caracole's** rooftop and the parties at **Eichholtz**. Always a great vibe!

ZANDY GAMMONS

@mirettainteriors

We love to stop by the **Kravet** party during each market. It has beautiful views and a fun crowd.

ISABEL LADD

@isabel_ladd_interiors

I love going to **Theodore Alexander** at the end of a long day. It's always a party there, and the prime rib + dirty martinis are my absolute favorite. I've even made friends with their shuttle drivers, so I feel like I often have my private drivers at my fingertips!

ROBERT VENTOLO

@crainandventolo

I really loved the **Natuzzi** showroom party. No one does it like the Italians - I loved the architecture and the gelato!

TRANSPORTATION TIPS

Once you're at Market, you can walk most places, but you can also take the Red and Green Shuttles.

If the place you are going to is not one of the shuttle stops, call the GO-Anywhere shuttle & it will come to pick you up. Sometimes there's a bit of a wait though.

FREE GO-Anywhere service - Pick up at the Transportation Terminal or call 336.887.RIDE (7433)

Parking is FREE and there is a FREE shuttle service into downtown. (This is different from the Red and Green Shuttles that take you to the showrooms.)

How To SAVE TIME OR MONEY AT MARKET?

We surveyed Market veterans for their expert advice. Here are some tips and must sees from the industry's best!

TRACI CONNELL

@traciconnellinteriors

Book flights and hotel rooms far ahead of time. Fly into Charlotte and take the free shuttle for huge cost savings from flying into Greensboro. Take advantage of the complimentary meals that showrooms offer, so you can save on food.

ROBERT VENTOLO

@crainandventolo

Make an agenda of all the showrooms you must see and start there!

AMBER GUYTON

@blessedlittlebungalow

Go in with a plan. You won't be able to see everything, so based on how many days you'll be there, have a list of the top 10-15 showrooms you'd like to visit. Same for events — make a list of the top 5 panels and events you wish to attend and allow everything else to be secondary to those priorities.

ZANDY GAMMONS

@mirettainteriors

Make appointments! Sometimes there's a wait to talk to a sales rep at showrooms if you don't have an appointment, and there's a lot of ground to cover and the days go by fast. Appointments are key to fitting it all in and staying productive. Friday is also a great day to get a lot done because it isn't as crowded.

ISABEL LADD

@isabel_ladd_interiors

I save time (and time is money, am I right?!) by having a game plan of the panels I want to attend + the showrooms I want to visit, which I have broken down by buildings. I use the HPMKT app for selecting my preferred panels by day and time. Then, I select one or two main buildings per day to crush! I focus, and just buzz through from the ground up.

MICHELLE MURPHY

@demiryanhome

Planning ahead and mapping out which showrooms to visit will save you from running back and forth across town and give you more time to explore. So, take a little time to strategize before hitting the road and you'll thank yourself later!
