## The Insider's Guide to Meeting the Right People and Being in the Right Places

Way to go, you are on the way to navigating High Point Market like a pro! Having attended every Market since October 2014, Marisa has learned all of the tips and tricks and is ready to share with you firsthand, with a little help from my designer pals as well. High Point Market is huge - more than 13 city blocks - so I've highlighted the best 50 showrooms to start with. The schedule? Ever changing and way too difficult to narrow down.

No worries! I've got you covered with a curated calendar of events.

**Here's to growing your business, making connections, and being inspired!**

## DON'T TAKE OUR WORD FOR IT!

We surveyed some of the top designers and Market veterans for their expert experience! See below for some tips and must sees from the industry's best!

### QUESTION: What is one tip you can offer to someone attending Market for the first time?

**ARIENE BETHEA**

@dressmyroom

It will be overwhelming and you won't see everything, but that's okay. Have a few showrooms that you plan to visit, but leave plenty of time to be seduced by new ones.

**LAUREN CLEMENT**

@lauren.nicole.designs

Come with a plan but do not be afraid to veer off the path of your plan too. I have had some of the most amazing finds just by being lured into a showroom by spotting something intriguing.

**KEIA McSWAIN**

@keiamcswain

Don't leave home without your itinerary! It's extremely helpful. Don't have one, then *The Cool Girl's Guide* will serve as an awesome event guide.

**DON RICARDO MASSENBURG**

@designinkredible

If you're heading to High Point Market for the first time, my question is, what have you been waiting for?! High Point Market is the largest trade show of its kind and High Point, NC is considered to be the furniture capital of the world! Come, see, and conquer!

The first thing I would do is download the My Market app. The app has all of the events and exhibitor information. The app also tells you where the exhibitors are located, it allows you to create a schedule, and it tells you which shuttle to hop on to get there! The My Market app changed my experience at Market.

**KELLY R. COLLIER-CLARK**

@kellycollierclark

Download the HPMKT APP and utilize the guide booklets for navigating Market. Schedule your free airport shuttle rides for arrival and departure when booking your trip. Bring copies of your resale cert for opening accounts on the spot, and a portable phone charger if possible. Also, take full advantage of attending some social events to network and meet other designers.

**SHAYLA COPAS**

@shaylacopas

Start at the IHFC Building and work out to the other areas of Market, I feel that starting in the central area of Market and then working outward keeps me organized and focused.

**JANA PLATINA PHIPPS**

@trimqueen

Book yourself on an HPMKT Insider's Tour, it's free to attendees and you have an expert guide showing you the best way to navigate Market. It's the equivalent of a first-rate double-decker bus tour, without the bus, with a design rockstar.

**KURT JACOB MILLER**

@jacoblukas.design & @kurtjacobmiller

Have a plan. The plan can be "I just want to socialize, bump into friends from Instagram, shop for real-life clients, take a checklist and look for specific items or new vendors."

### BONUS: What's one thing you don't leave home without when headed to Market?

**MONIKA NESSBACH**

@designbar

Convertible layers of clothes that are flexible enough so they can be worn for day and night functions, a crossbody bag and an external battery for my phone.

**JANA PLATINA PHIPPS**

@trimqueen

My rule is to be in bed by 11pm and I bring my Advil PM to ensure I get a great night's sleep to rock my market days to the max!

**KELLY R. COLLIER-CLARK**

@kellycollierclark

Don't leave home without your absolute most comfy pair of sneakers, whether you're dressed up or down. Embrace it, because every day will include a lot of walking. That said; cross body bags and backpacks will be your best friends!

## QUESTION: What is your favorite designer-friendly showroom?

**LAUREN CLEMENT**  
@lauren.nicole.designs

I love to visit **Currey and Co** as I always leave feeling inspired and happy. Currey has such a wide array of styles to satisfy all types of projects and there is just something magical to me about lighting, it is truly one of my favorite ways to create a wow in a home. Add in wonderful staff and the best lunch at Market, and you have yourself a winner for the best experience.

**ARIENE BETHEA**  
@dressmyroom

**Caracole.** Besides being a beautiful building, having the best rooftop view and a killer bar design, the showroom is beautifully designed and zoned into style categories making it easy to find the perfect product. I also pay a visit to the **Antique & Design Center** and **214 Modern.**

**KEIA McSWAIN**  
@keiamcswain

**Caracole** at THE MAC.

**KURT JACOB MILLER**  
@jacoblukas.design & @kurtjacobmiller

**Alden Parkes** (User-friendly, dedicated sales team, no pressure, chill, every price point); **SPLASHWORKS** (totally fun, colorful, creative, digital printing on everything!); **Caracole** (The Markor building is so impressive, cool and fun, great rooftop parties); **SUNPAN** (throws a hell of a party, user-friendly, big bar, great food); **New Growth Designs** (elevates permanent botanicals to a whole other level).

**KELLY R. COLLIER-CLARK**  
@kellycollierclark

**Hudson Valley Lighting** is in my top few favorites for what I'd consider designer-friendly; having a plethora of aesthetic style options ranging from modern to traditional and reps are always available to offer assistance.

**DON RICARDO MASSENBURG**  
@designinkredible

There are so many showrooms that I don't miss during Market. It's impossible to narrow it down to one! It is always great to shake hands with reps that I email or talk to via telephone all the time.

Some of my favorites are **Bernhardt** (showroom always styled to perfection); **John Richard** (go here for striking pieces with wow factor); **Bassett Mirror Company** (they have the best food); **Phillips Collection** (one of my go-to vendors).

**JANA PLATINA PHIPPS**  
@trimqueen

I go cuckoo at **Nathan Anthony Furniture** -- Tina Nicole's creativity explodes into beautifully designed and masterfully executed works of art as upholstery using textiles and artisanal fabrication techniques than marvel and delight.

## MARKET TIPS

Cell phone signal at High Point Market SUCKS - bring a fully charged backup battery (or two!). When your phone dies by 11 am from trying to Instagram all your fabulous finds, you will thank me!

Speaking of Instagram - be sure to post all your amazing finds when cell service allows. The official Market hashtag is #hpmkt and be sure to tag us too at #coolgirlsguidehpmkt

Try to attend at least 2 social and 2 educational events while you're at Market - both are important! Market is fantastic for networking and meeting other designers as well as developing relationships with vendors. It's like a very expensive conference but IT'S FREE!

Make sure to snag a Beauty Bar Appointment at Universal's Designer Lounge - it's just the refresh you need to head out to happy hour!

## QUESTION: What is the best social event to attend?

**ARIENE BETHEA**

@dressmyroom

Black Interior Design Network Events and Chairish Events at **214 Modern**.

**MONIKA NESSBACH**

@designbar

**Leftbank Art** always has a great event and so does **Caracole** on their rooftop. The party then continues in Greensboro at PrintWorks with an 80's DJ who has the coolest hat game.

**KURT JACOB MILLER**

@jacoblukas.design

@kurtjacobmiller

I'm excited about several events I'm participating in this Market including a panel "Designer Experience and Inspiration of Italian Artistry", with prosecco and light bites, at **ArtItalia**. Don't miss **Splashworks'** debut of Chicago photographer, Stephen Koch.

**KEIA McSWAIN**

@keiamcswain

I always look forward to hosting BIDN events. They've been the most missed networking events at High Point for me.

**DON RICARDO MASSENBURG**

@designinkredible

It's a known fact that **Surya** and **Leftbank Art** throw the best parties!

**SHAYLA COPAS**

@shaylacopas

There are so many fabulous events at Market. I always love to attend **Universal's** big event each year at Market.

**LAUREN CLEMENT**

@lauren.nicole.designs

There are so many! Choose wisely as the next morning comes quickly!

**JANA PLATINA PHIPPS**

@trimqueen

Join my Hot Spot Tour Sunday morning as we explore House of Cindy and Red Egg ([RSVP](#)). All the Cool Girls will be there!

## TRANSPORTATION TIPS

Once you're at Market, you can walk most places, but you can also take the Red and Green Shuttles.

If the place you are going to is not one of the shuttle stops, call the GO-Anywhere shuttle & it will come to pick you up. Sometimes there's a bit of a wait though.

**FREE GO-Anywhere service** - Pick up at the Transportation Terminal or call 336.887.RIDE(7433)

Parking is **FREE** and there is a **FREE** shuttle service into downtown from the parking lots. (This is different from the Red and Green Shuttles that take you to the showrooms.)

## QUESTION: How do you save time or money at Market?

**LAUREN CLEMENT**

@lauren.nicole.designs

Efficiency in all aspects is the name of the game at Market. Make good choices, pack snacks, and come with a plan.

**SHAYLA COPAS**

@shaylacopas

I save time by using an app called Trello. I have a card on my Trello listed as High Point Market and I add each showroom I want to see for my Market trip on the app. While in each showroom we take photos of our favorite products and add to the app so that we can keep all of our fabulous finds organized.

**ARIENE BETHEA**

@dressmyroom

I save time by downloading the Market APP and marking the showrooms I want to visit on specific days. I also save time by booking appointments with my reps.

**DON RICARDO MASSENBURG**

@designinkredible

Always go to Market with a plan. Use the MyMarket app to set up your schedule ahead of time. However, it is so easy to lose track of time when you're walking through so many hallways full of inspiration. Also, you're going to run into so many people that you see on social media all the time. You'll definitely spend some time chatting and taking photos together. Saving money at the Market is easy. Eat and drink in the showrooms. Many of the showrooms offer amazing food catered by local chefs and restaurants. Take advantage of that.

**MONIKA NESSBACH**

@designbar

You save time by planning ahead and visit exhibitors by neighborhood so that you don't continuously run back and forth. Your feet will be grateful, trust me. You save money by eating and drinking in showrooms instead of anywhere else. All the showrooms offer snacks, drinks, and food during various hours of the day. I have never left a day at Market hungry. Also, if you are on the hunt for certain furniture pieces, ask the showrooms if they'll sell their display pieces. If you organize the pickup yourself, there usually is a steep discount available for those.

**KURT JACOB MILLER**

@jacoblukas.design

@kurtjacobmiller

Save time by having a plan. You cannot see it all. Focus on lighting or art - plan ahead of time. Know the districts and plan around that. Wear comfortable shoes and carry a tote bag so you're able to transition quickly to parties. Save money by renting a house that can accommodate more people. Make use of the trollies, some showrooms will even come pick you up!

One of the best ways to save time at Market is to make appointments with your reps ahead of time. You can always call or email showrooms to find out who they are if you're not sure. Plan to be intentional about your agenda in the interest of time, especially if you're not staying the entire Market week. Make a list of your top, must-see showrooms to make sure you get to those first, and map them out accordingly.
